July

SCIENCE WEEK

What a fantastic week at Eccleston! We have so much going on. The children have enjoyed science workshops with the staff from Queens Park High, picked strawberries (and eaten them) at Bellis's Nursery, engaged in a bug workshop, watched a performance of Alice, embarked on a water sports day and dug in a trench in the back field with Chester Archaeological Society. We are exhausted but very knowledgeable! An enormous thank you goes to Mrs Wearden and all the staff for organising such a wonderful and diverse week for us.

ALICE

Congratulations to all of Year 6 and their director Mrs Rowland on two wonderful performances of Alice this week. The children have designed their own set, costumes and props as well as taking multiple roles. A really magical production.

BRAVE THE SHAVE

Many of you will know Becca from The Spinney Day Nursery who is often on the playground picking up. Becca is doing the MacMillan Cancer Support Brave The Shave in September and has asked me to mention it to parents. I am sure you will agree that this is an amazing thing to do and if you want to sponsor Becca her details are as follows:
<https://bravetheshave.org.uk/shavers/rebecca-clark/>

ERIN CROSS APPEAL

Thank you so much to everyone who sent in silver for the Erin Cross appeal, organised by the School Council. I will let you know how much we raised next week.

SCHOOLS OUT FOR SUMMER!

We break up for the summer holidays next Wednesday at 2pm. We return to school at 8.55am sharp on Tuesday 6th September.

QUESTIONNAIRES

Please return your completed questionnaire by Monday. Many thanks.
