Introduction:

The governing body aims to maximise the achievement of every pupil at the school and recognises the value of a well-motivated and capable body of teaching and support staff in the achievement of this.

The governing body is required to establish a whole school pay policy, monitor the implementation and outcome(s) of the arrangements and review the policy and its operation every year. This pay policy seeks to ensure that all staff are properly rewarded for their contribution towards this shared goal. This policy has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document.

In adopting the Pay Policy the aim is to:

- Maximise the quality of teaching and learning at the school, by ensuring that implementation of the policy takes full account of the school's plans for improvement and development.
- Have proper regard for the work/life balance of staff at the school.
- Recruit, retain, motivate and develop staff.
- Be able to demonstrate that the policy and decisions on pay are managed in a fair, just and equitable way, recognising the principle of equal pay for like work and work of equal value.
- Determine the annual pay budget, including that for pay progression, compatible with the school's overall budget position.
- Be consistent with the school's appraisal policies.
- That the impact of the exercise of pay discretions does not contravene the Equality Act 2010.

This policy was adopted by the governing body of Ecclestone CE Primary School school in the autumn term of 2019.

The governing body has established a Pay Panel with fully delegated authority to make pay decisions based on the recommendations of the Headteacher.

Basic Principles:

All support staff and relevant teaching posts within the structure have detailed job descriptions which are periodically reviewed and which are written with due regard to enabling staff to maintain a reasonable work/life balance.

The governing body has determined the range and grade of each post in accordance with the STPCD or NJC job evaluation scheme, taking into account the duties and responsibilities of each post.

The governing body is committed to the operation of an appraisal process for teachers and support staff, with the objective of maximising the professional development of all staff and progress of pupils. The governing body will ensure that all staff in school have access to advice, training and development opportunities appropriate to their needs.

Equality Act 2010

The Governing Body will give due regard to equality considerations in adopting this policy and is satisfied that its application will not impact adversely on members of staff who have a protected characteristic as defined by the Equality Act 2010.

Pay Appeals Procedure:

A member of staff may seek a review of any determination in relation to his or her pay or any other decision taken by the governing body (or committee or individual acting with delegated authority) that affects his or her pay.

The procedures to be followed for Teaching and Support staff are set out later in this document.

Support Staff:

The governing body recognises and values the contribution made to the school by support staff.

Conditions of Service

The pay and conditions for support staff are determined through the National Joint Council (NJC) for Local Government Services as adopted by Cheshire West and Chester Borough Council and the School. This group of staff includes all staff at the school that are not subject to teachers' pay and conditions.

Pay Spine

The Governing Body has adopted the CW&C Council pay spine for support staff. A copy is available from the school office.

CW&C Living Wage

The Governing Body has adopted the CW&C Living Wage and this will mean that all staff will receive a minimum of £9 per hour. This rate will be reviewed annually.

Job Descriptions and Job Evaluation

The governing body has determined the range and grade of each post in accordance with the NJC job evaluation scheme, taking into account the duties and responsibilities of each post.

Salary on Appointment

It is expected that on appointment an individual will normally be placed at the first point of the relevant grade. Where an individual was employed under the conditions of service of the NJC for Local Government Services immediately prior to appointment at the school, their starting pay should not be less than their previous salary, as far as this may be accommodated within the overall grade of the post. Consideration may also be given to appointment above the first point of the scale in recognition of experience and/or qualifications and where there is a justifiable business case for doing so.

The Headteacher may offer an appointment on less than the full grading range where the employee will not be undertaking, initially, the full duties and responsibilities of the job. If such an arrangement is agreed with the successful applicant, the written notification will specify clearly the reasons why the full range is not being applied and the date when the situation will be reviewed, with a view to the full grading being applied. Application of the full grading will not entitle the employee to a pay increase under the re-grading provisions (unless they are currently paid below the minimum of the full grade).

Incremental Progression

In accordance with the incremental progression procedure adopted by the Governing Body, support staff are eligible to move one point on their pay grade on the anniversary of their start date until the top of the range for the grade is reached. In all cases, there will be no incremental progression beyond the evaluated grade of the post.

An incremental progression point may be withheld in exceptional circumstances if the staff member is subject to capability procedures. The governing body may choose to award the incremental point at a later date when the staff member's performance has returned to satisfactory.

Pay Appeals

Any member of support staff may seek a review of their grade where they are able to demonstrate a substantial increase in their duties and responsibilities. The staff member should write to the headteacher setting out the grounds for a review. Where a case for review is made, the headteacher will arrange for the job details to be re-evaluated in accordance with the NJC Job Evaluation Scheme as adopted by Cheshire West and Chester Council.

If the member of staff remains dissatisfied, they will have a right of appeal to the Governors' Pay Appeal Panel. The member of staff will be given the opportunity to make representations in person and may be accompanied by a trade union representative or work colleague.

The decision of the Pay Appeal Panel will be final.

Salary on Promotion or Re-grading

On appointment to a new role, or on re-grading of an existing role to a grade with a higher maximum salary, an employee will be paid a salary on the new grade which is at least one increment above the salary that they would have received in the former grade on the date of grading change. An increase of more than one increment may be justified in the case of a promotion but will be exceptional where the job is re-graded. The level of the starting salary is at the discretion of the Headteacher/Governing Body.

Acting Allowance

Where a member of staff covers the full duties of a higher graded role on a temporary basis, for example to cover a vacancy or in the absence of the substantive post holder (other than to cover for annual leave), for a period of at least 4 weeks, they may be paid an acting allowance equivalent to the grade of the post they are covering. Acting arrangements are time limited and will be subject to regular review.

Where an employee is undertaking partial duties of a higher graded role, a special recognition payment may instead be considered.

Recognition Award Scheme

Recognition awards to individual employees will be given for exceptional performance, normally something additional and something that requires greater skills or carries greater responsibilities. They are not given for doing the job the employee is appointed to do well.

The maximum payment will not exceed 7.5% of basic annual salary and the payment of anything in excess of 5% of basic annual salary will be exceptional.

Awards will be linked to Staff Appraisal and key tasks but there will be justification in some circumstances for recognition outside this process.

Retirement Awards

Aided and Foundation Schools

Employees who retire with 20 years' service with the School / Council (which need not be continuous) will receive a lump sum payment of £870 in their last year of service (pro rata for part-time employees). The Award applies to all employees who qualify and for those in the Local Government Pension Scheme, it is pensionable. The amount will be updated annually in line with the average pay increase for non teaching employees.

Premium Payments

In some circumstances voluntary overtime may be offered to staff to cover specific duties. In all cases, voluntary overtime must be agreed in advance of any work undertaken. In Aided and Foundation schools, the rate of pay for voluntary overtime will be time and a half for all hours worked in excess of 37 hours per week for grades 1 to 6.

Other premium payments will be in accordance with the provisions detailed on the eCWIP website. Details will be provided on request from the school office.

Teaching Staff:

The governing body recognises and values the contribution made to the school by teaching staff. This group of staff includes all staff at the school that are subject to School Teachers Pay & Conditions.

Conditions of Service

Pay and conditions for teaching staff are negotiated nationally and the statutory requirements are set out in the School Teachers' Pay and Conditions Document (issued annually) and the Conditions of Service for School Teachers in England and Wales (known as the Burgundy Book).

Pay Ranges

All teachers employed at the school are paid in accordance with the statutory provisions of the School Teachers' Pay and Conditions Document. A copy of the STPCD 2019 may be viewed in the school office or online (<https://www.gov.uk/government/publications/school-teachers-pay-and-conditions>)

Pay points within pay ranges used within this school are set out in the relevant paragraphs later in this policy.

Retirement Gifts

This scheme applies to a teacher who retires (i.e. is 60 plus years of age, is granted early release of pension [with or without redundancy] or Ill-Health retirement) having completed at least 20 years employment (the employment does not have to have been continuous) with the Borough Council, County Council or with an authority which merged to form the new County Council in 1974.

The employee may choose the gift within the following cost limits:

Minimum entitlement -	£110
Addition per complete year of employment beyond 20 -	£7
Maximum entitlement -	£184

A teacher cannot receive a cash award in lieu of a gift nor can cash be paid to make up the difference between the cost of the gift and the maximum entitlement. A teacher may add (within reason) to the entitlement if s/he prefers a gift of higher value than the entitlement allows. The choice of gift is subject to the approval of the Headteacher (or Governing Body, in the case of the retirement of the Headteacher). It should be a durable and tangible object and appropriate for the occasion. It may be inscribed with details of service, but the cost of the inscription cannot be added to the cost limit for the gift.

Pay Reviews

The governing body will ensure that every teacher's salary is reviewed with effect from 1 September each year and no later than 31 October (31 December for Head Teachers).

Pay reviews will be in respect of incremental progression within pay ranges or to consider applications to the Upper Pay Range.

Any annual pay award applying to the national pay framework will also apply to locally adopted pay points and allowances.

A pay decision will be made annually for all teachers. Where a teacher will be absent because of maternity leave at the time of the appraisal review, the appraiser will conduct an appraisal review prior to maternity leave starting and this will be used as the basis for a pay recommendation. Where a teacher is absent for the whole of the appraisal period the appraiser will use appraisal information from the next most recent appraisal to inform pay recommendations.

Where a teacher is on long term sickness absence at the relevant time or has had a long term sickness absence during the relevant appraisal period consideration will be given to making reasonable adjustments in relation to the assessment of their performance against success criteria as appropriate on a case by case basis.

Pay reviews for all teachers, including the Headteacher, will be based on performance as recorded through staff appraisal. Every appraisal report will contain a pay recommendation for eligible staff. Pay recommendations and decisions will be based on an overall assessment of the teacher's performance which will include the extent to which teachers have met their individual objectives, teacher standards and other relevant standards.

All teaching pay ranges are not incremental scales and there is no automatic right to pay progression. Decisions regarding pay progression will be made annually with reference to the most recent appraisal report. Any movement up the pay range will only be made where there has been sustained high quality of performance reflected in a successful appraisal and shall not exceed two spine points in the course of any school year.

It is expected that pay recommendations will be in line with professional dialogue during the course of the appraisal year and will not be a surprise to the appraisee. It will be possible for a "no pay progression" determination to be made without recourse to the capability procedure.

Final decisions about whether or not to accept a pay recommendation will be made by the Governing Body (or Headteachers Pay Committee for the Headteacher), having regard to the appraisal report and taking into account advice from senior leaders (and external adviser in the case of the Headteacher).

Reviews may take place at other times of the year to reflect any changes in circumstances or job role that leads to a change in the basis for calculating an individual's pay. A written statement will be provided after any review and where applicable will give information about the basis on which it was made.

Where a pay determination leads or may lead to a period of salary safeguarding, the governing body will give the required notification as soon as possible and no later than one month after the date of the determination.

Teaching Staff Pay Appeals Procedure:

A teacher may seek a review of any determination in relation to his or her pay or any other decision taken by the governing body (or committee or individual acting with delegated authority) that affects his or her pay.

Appeals may be made on the grounds that the person or committee by whom the decision was made has:

- a) incorrectly applied any statutory provision
- b) failed to have proper regard for statutory guidance
- c) failed to follow the school's own policies (appraisal or pay) properly
- d) failed to take proper account of relevant evidence
- e) took account of irrelevant or inaccurate evidence
- f) was biased, and/or
- g) otherwise unlawfully discriminated against the individual concerned.

This list is not exhaustive.

The procedure for considering appeals is as follows:

Informal stage

As part of the Appraisal process, each teacher will be made aware of any pay recommendation to be reported to Governors.

Where a teacher is dissatisfied with a pay recommendation, they should (within five working days) request a meeting with their headteacher. The headteacher will, within a further five working days, arrange a meeting (at which the appraiser should be present) to enable the teacher to present their arguments and any additional evidence they feel has not been taken into account.

This meeting should take place prior to the meeting of the Governors Pay Panel and the teacher will also be advised before that meeting whether the pay recommendation is to be changed

Where the headteacher is the appraiser, the teacher will have the right to submit written representations which will be included in the paperwork submitted to the Governors Pay Panel.

Following the meeting of the Pay Panel teachers will receive written confirmation of their pay determination and the basis upon which the decision was made.

Formal stages

Stage 1- Pay Hearing

1. Where a teacher is dissatisfied with a pay decision, they should set down in writing their reasons in sufficient detail for a response to be prepared, and send it to the Chair of the Governors' Pay Panel, within ten working days of the notification of the pay decision.
2. The Chair of the Pay Panel will arrange a hearing within ten working days of receipt of the written appeal, at which they will consider the case and give the staff member an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal. The deadline for any appeal will be ten working days from receipt of written confirmation of the Stage 1 decision.

Stage 2 – Appeal

3. Any pay appeal will be heard by a panel of three Governors who were not involved in the original determination normally within twenty working days of the receipt of the written notification of appeal. The member of staff will be given the opportunity to make representations in person. The decision of the appeal panel will be given in writing and where the appeal has been rejected this will include a note of the evidence considered and the reasons for the decision. The decision of the governors at this hearing will be final.

At all hearings under formal procedures the staff member is entitled to be accompanied by a trade union representative or work colleague . Where possible the trade union representative or work colleague will be consulted on the proposed date of a hearing. If a date is set at which the colleague or trade union representative is unable to attend, the teacher may suggest an alternative date and time provided it is reasonable and is not more than five working days after the original date.

Pay Range for Head Teachers

The governing body has a statutory duty to assign a school group size and a pay range for the head teacher. The governing body will calculate the head teacher group size each September in accordance with the current STPCD. The governing body will assign or review a pay range when planning a new appointment, when the school group changes or where there is a change in the school's circumstances that leads to a significant change in the responsibilities of the post.

Further guidance is available in DfE Implementing Your School Approach to Pay document.

The governing body will ensure that the process of determining the remuneration of the head teacher is fair and transparent. There will be a proper record made of the reasoning behind the determination of the pay range and the ratification of decisions made in this respect.

The headteacher pay range for the academic year –2019-2020 is L19.

A successful appraisal and the circumstances in which the governing body will consider awarding a pay point are completion of appraisal targets.

School Teachers Pay and Conditions allow the Governing Body to consider discretionary payments in addition to the headteachers point on the pay range. These payments should not exceed 25% of the amount which corresponds to their pay point. Further guidance is available in Implementing Your School Approach to Pay and from Schools HR Consultancy.

Pay Range For Assistant Head Teachers

The governing body has determined that 1 assistant head teacher post is to be included in the school's staffing structure.

The professional duties of deputy and assistant head teachers are set out in the STPCD.

The governing body will determine a pay range for deputy and assistant head teachers. The governing body will ensure that the pay range for deputy and assistant head teachers is determined in accordance with the STPCD with due regard to pay rates for other teaching posts and the head teacher.

The pay range for assistant head teachers for the academic year 2019-2020 is as follows: L1 – L5

The governing body will determine the pay range the assistant head teacher in the following circumstances:

- When it proposes to make new appointments, or
- Where there is a significant change in the responsibilities of serving deputy or assistant head teachers.

pay range will only be made where there has been sustained high quality of performance reflected in successful appraisals.

Progression To The Upper Pay Range

It is the responsibility of teachers to decide whether they wish to apply to be paid on the Upper Pay Range. Determinations as to whether a teacher progresses to the upper pay range will be made in accordance with the STPCD and the process set out in this pay policy.

Teachers may apply to be considered for progression to the upper pay range once per year. Where a teacher is intending to apply to progress to the UPR, they should notify their appraiser at the start of the appraisal year.

Special Educational Needs Allowance

The governing body will award an SEN Allowance to a classroom teacher in accordance with Schools Teachers Pay and Conditions.

The SEN allowance is determined as a spot value, taking into account the structure of the school's SEN provision and:

- a) whether any mandatory qualifications are required,
- b) the qualifications and expertise of the teacher relevant to the post, and
- c) the relative demands of the post.

SEN allowances will be paid to the holders of the posts indicated in the attached staffing structure (Appendix 2). The values of the SEN allowances to be awarded are set out below:

No recruitment or retention payment will be made to the head teacher other than as reimbursement of reasonably incurred housing or relocation costs. All other recruitment and retention considerations in relation to the headteacher will be taken account of through determination of the headteacher's pay range.

In the case of retention, a recommendation to offer incentives or benefits would be made by the head teacher to the [Pay Panel].

In the case of recruitment difficulties, a decision to offer incentives or benefits may be made by the selection panel where authority in respect of this function has been delegated to the selection panel itself.

In either case, before a recruitment and retention incentive or benefit is agreed, a business case with supporting evidence should be constructed by the head teacher, or the selection panel, for consideration by the [Pay Panel.]. Recommendations and authorisations must be recorded.

Part-time Teachers

Teachers employed on an ongoing basis at the school who work less than a full working week are deemed to be part time. The governing body will ensure that part time teachers are given a written statement detailing their working time obligations (within and beyond the school day) and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay arrangements and by comparison to the school's timetabled teaching week for a full time teacher in an equivalent post.

Part time teachers will be paid a pro-rata percentage of the appropriate full time equivalent salary and the same percentages will be applied to any allowances (except TLR3) awarded to a part time teacher as set out in the STPCD.

Supply Teachers

Teachers employed on a day to day or other short notice basis must be paid in accordance with the STPCD 2019 on a daily rate calculated by dividing the annual amount by 195.

Teachers who work less than a full day will be hourly paid and will have their salary calculated by dividing the annual amount by 1,265 to give an hourly rate.

A short notice teacher who is employed by the school or another school in the authority throughout a period of 12 months (beginning August or September) will not be paid more in respect of that period than s/he would have if s/he had been in regular employment throughout the period.
