

Eccleston C.E. Aided Primary School

"Let your light shine" - Matthew 5:16

Friday 13th June 2025

Dear Parents and Carers,

What a fantastic week we've had at Eccleston C of E Primary! There's been so much happening that I just had to share all the wonderful things our pupils have been up to.

Tuesday started brilliantly with Bromborough Gospel leading our worship - they always bring such energy and help our pupils explore faith and community values in such an engaging way. Then we celebrated our Year 3/4 football team who won Bronze in the inter-school competition. They played with such determination and teamwork - we're really proud of them!

Wednesday was assessment day with phonics screening and the Year 4 Multiplication Tables Check. All the children involved did themselves proud with their focus and effort during these important tests. We'll let you know how they got on as soon as we receive the results.

Sports Day was absolutely brilliant! The weather was perfect, the children gave their all in every event, and it was lovely to see so many of you there cheering them on. The competitive adult races were fabulous - thank you to everyone who took part! A huge thank you to our PTA for organising the barbecue, bouncy castle, and stalls. These extras really made the day special and show just how amazing our parent community is.

Thursday evening was magical as our Badgers class performed at The Wings of the Sky event in Chester Cathedral alongside Matt Baker and four other schools. Singing under the Peace Doves Installation was incredibly moving, and our pupils' voices sounded beautiful. They represented our school wonderfully.

Next week is school sports week. Children will need to come in wearing their kit every day! On Monday we have Kixx. Tuesday is orienteering and gymnastics. Wednesday is Lucy from House of Dance – if you would like to see the children perform their dance, please be on the playground for 3pm! Thursday, Year 6 will be organising sporting activities for the younger children and Friday is intra-school competition!

Just a quick reminder about annual reports - we're going digital this year to be more environmentally friendly! You'll receive them by email, but if you'd prefer a printed copy, just ask your child's class teacher and they'll sort that out for you.

Thanks for your continued support - it really makes such a difference.

Best regards,

Kathryn Rees-Wright
