

## **Eccleston C.E. Aided Primary School**

*"Let your light shine" - Matthew 5:16*

Friday 19<sup>th</sup> June 2025

Dear Parents and Carers,

I hope you're all enjoying this busy summer term! There's so much happening at Eccleston CE Primary, and I'm excited to share what's coming up.

We're celebrating Science Week on 7th July, and it's going to be fantastic! This is a wonderful chance for our pupils to explore STEM subjects in an exciting, hands-on way. If any parents or community members work in STEM fields - whether that's medicine, dentistry, veterinary work, nursing, IT, engineering, or anything number-related - we'd love you to come in and share what you do with our pupils. It's amazing how much children learn from hearing about real careers and seeing how their school subjects connect to the working world. If you're able to get involved, please contact Mrs Frank on [lfrank@ecclestonprimary.cheshire.sch.uk](mailto:lfrank@ecclestonprimary.cheshire.sch.uk).

Our brilliant PTA has another creative fundraiser happening this Wednesday after school. You can buy wooden blocks for £3 each, and pupils can decorate them with anything inspired by "Nature and the World." All decorated blocks need to be back by 9th July, then Laura Long and her father will varnish them before they go up on our special wall in the nature garden. What's fantastic is that every penny raised goes straight towards materials for developing our nature garden.

Sports Week was absolutely brilliant! Huge thanks to Mr Christmas for organising such a packed programme. We had Kixx on Monday, gymnastics and orienteering on Tuesday, House of Dance on Wednesday, Year 6 pupils leading sessions on Thursday, and Friday's competition designed by pupils Ethan and Archie. It was wonderful seeing our older pupils take the lead and mentor the younger ones.

The PTA topped off the week perfectly with ice cream on Friday - the pupils were thrilled! Thanks to everyone who supported this lovely end to our sporting week.

Best regards,

Kathryn Rees-Wright
