

CAR PARK: USERS' PROTOCOL

PLEASE do not park on Eaton Road near the entry/exit gates to school.

In the morning, PLEASE use the drop-off zone, immediately to your left when entering the car park, with great care and attention. Kindly move away as soon as your child/children has safely entered the playground. **NB.** This area may be used for parking in the designated linear bays when collecting your child/children from school.

PLEASE when using the drop off zone make sure your child has entered the playground before you leave.

PLEASE when driving away from the drop-off zone, be aware of other moving vehicles and pedestrians crossing.

PLEASE use the red pathways when walking in the car park and do not use or cross tarmacked surfaces unless absolutely necessary i.e. to the furthest part of the lower car park on the exit route.

PLEASE follow the clearly marked one-way system.

PLEASE drive slowly through the car park at all times. **MAX SPEED 5 mph**

PLEASE park in the designated bays preferably reversing in for ease of egress and safety

PLEASE when parking, do not encroach on the red pathways or the landscaped areas within which **obstacles are placed** to deter encroachment.

PLEASE be aware of pedestrians at all times.

PLEASE switch off your engine when parked.

PLEASE pull away from your parking space with great caution.

PLEASE exit the car park with great care and patience.
